SUBJECT: A proposal of the Office of Micronesian Status Negotiations, "The Compact of Free Association between the United States and Palau." Except for the trade (sections 241-243) and tax (sections 251-256) provisions, this proposal is nearly identical to the Compact with the Federated States of Micronesia and the Republic of the Marshall Islands that was proposed twice by the President and finally enacted as P.L. 99-239. The trade and tax provisions of this proposal differ from those proposed by the President in the earlier Compact, reflecting amendments by the House Ways and Means Committee and accepted by the Administration as essential for enactment of that proposal. This proposal has been approved by the government and people of Palau, and by the Interagency Task Force on Micronesia. It must be transmitted by the President this month to allow time for congressional approval before the annual meeting of the United Nations Trusteeship Council in May, at which time the Administration will seek to terminate its trusteeship responsibilities over the entire Trust Territory of the Pacific Islands. Accordingly, we must presume that you have no comments on this package unless you call us by C.O.B. WEDNESDAY, MARCH 19, 1986. Copies of the subsidiary agreements may be obtained from Jim Berg at 343-9143.

The Office of Management and Budget requests the views of your agency on the above subject before advising on its relationship to the program of the President, in accordance with OMB Circular A-19.

SPECIAL

A response to this request for your views is needed no later than WEDNESDAY, MARCH 19, 1986.

Questions should be referred to Randy Coleman (395-6194), the legislative analyst in this office or to Dave Allen (395-4993).
